Review Process

docuBridge Explorer

The screenshot displays the docuBridge Explorer interface. At the top, the title bar reads "docuBridge Explorer". Below it is a navigation bar with buttons for "+ New", "Reports", "Paste", "Refresh", "Layout", and "Export to Excel".

The main interface is divided into two main sections:

- Navigation Pane (Left):** Labeled with a large "1", it contains a list of search results. The selected item is "My Applications: 02 CO-PTL *e67*", which is highlighted in grey.
- Main Content Area (Right):** Labeled with a large "2", it shows the details for the selected search. At the top, it says "Searches > My Applications: 02 CO-PTL *e67*". Below this, there are two input fields: "Status" (with a dropdown arrow) and "Object Locked". A message below these fields says "Drag a column header and drop it here to group by that column". Below the message is a table with three columns: "Description", "eSubmission Id", and "eSubmission Id". The table contains three rows of data.

The table data is as follows:

Description	eSubmission Id	eSubmission Id
e6799999	e6799999	e6799999
e6788890	e6788890	e6788890
e6788890	e6788890	e6788890

Additional annotations include a large "3" near the "Layout" button and a large "1" near the selected item in the navigation pane.

Submission Workbench

The screenshot displays the docuBridge Submission Workbench interface. At the top, the header includes the logo and the text "docuBridge Submission Workbench" on the left, and a user profile icon labeled "ADMIN" on the right. Below the header, a navigation bar contains links for "View Content Catalog", "Review State", "Download File", "Annotations", and "Reports". On the far right of this bar is a "Panels" icon.

The main workspace is divided into several panels:

- Outline Panel (Left):** Features a "Node Filter" dropdown set to "<none>". Below it are five filter buttons labeled "0...", "1...", "1", "1", and "1". The outline tree shows a hierarchy: "0000" (expanded) -> "1 Administrative Information and Prescribing" (expanded) -> "[0000] Thailand v1.0" (expanded) -> "1.0 Cover" (expanded) -> "1.0.1 Tracking Table" (expanded) -> "[0000] Tracking Table" (selected). Other items include "1.0.2 Cover Letter" and "2 Common Technical Document Summaries".
- Tracking Table Panel (Top Center):** Contains a toolbar with icons for zooming (45%), panning, and other navigation functions. Below the toolbar is a preview of a document page.
- Document Content Panel (Center):** Displays a document page with the following text:

CONFIDENTIAL

THAILAND

MODULE 1.0.1 LIFECYCLE MANAGEMENT TRACKING TABLE

Item No.	Submission Description	Date of submission
0000	Initial Application	Dec 19

Sample Document modified from the TGA CTD Module 1 Administrative information and prescribing information for Australia version 2.2 from April 2014 for the cTcTD version 0.90 from June 2014.

Tracking Table 1.0.1 Pg. 1
- Right Sidebar:** Contains vertical navigation buttons for "Search", "Node Content", "Document Attributes", and "Hyperlink Editor".

At the bottom left of the interface, a status bar shows "Nodes: 43 Documents: 19 Pages: 25".
